The Sanitary Commr in Mysore No. 2634 dated 8.12.14.

Recommends that Dr. Mascarenhas may be confirmed as Health Officer K.G.F. in the Vacancy caused by the termination of Mr Munsiff's lien on that appointment.

28) Mr. Mascarenhas was appointed Sub Assistant Health Officer in Govt Notn no. 5322 dated 12th Nov 1913. LB 23-13-7 At the time, the claims of all candidates having the requisite qualifications for the appointment were carefully considered and after mature consideration Mr. Mascarenhas was considered the best candidate for the appointment. It is proposed to confirm him as he is reported to have done good work.

29) In reply to the Comptroller's enquiry as to what emoluments were to be allowed to Mr. Mascarenhas it was stated that he will be allowed all the allowances drawn by Dr. Munsiff in addition to the minimum pay of the Appointment Rs. 250 - 50/2 - 400

N

30) The Comptroller has once before observed that the local allowance of Rs 100 and the house rent of Rs 40 p.m. granted to Dr. Munsiff were purely personal to him as the post carries with it only a conveyance allowance of Rs 50

(54) As Mr. Mascarenhas has been drawing, under His Highness' orders, all the marginally noted allowances ever-since he was appointed to the Kolar Gold Fields, it does not seem right to curtail them now, especially when he is reported to be doing good work and when a recommendation for his confirmation is made.

Local allowance	Rs.	100
Conveyance	"	50
House rent	"	40

The only point requiring consideration is whether it is possible to absorb the appointment of Mr. Krishna Rao in the Health Officers' list, now that there is a permanent vacancy. I am very doubtful if the Kolar Gold Fields Sanitary Board will be willing to take either Mr. Manker or Mr. B. Krishna Rao as their Health Officer. Anyhow the Board may be consulted.

(55) The sanctioned scale of Health Officers is

only three, but there are at present four in that grade viz. Messrs: Pani, Macarenhas, B.Krishna Rao and Manker.

(56) Messrs: A.K. Pani and Mascarenhas are doing the duties of Health Officers and so their cases call for no remarks. But Messrs:Krishna Rao and Manker are doing the work of District Sanitary Officers. The question will be solved, I think, by posting one of them as the Health Officer of the Bangalore City Municipality in place of Mr. R.Subbi Rao; and if found inefficient he has to be classe either under Sanitary Officers or under Assistant Surgeons. As regards the other officer, the Sanitary Commissioner should, I think, be instructed to take the earliest opportunity of absorbing his appointment under the sanctioned scale of Health Officers. If the Kolar Gold Fields Sanitary Board, as indicated above, is willing to take either of these, the whole question is easily solved. It is no use increasing the sanctioned scale on mere personal grounds.

(57) As the question re allowances to Mr. Mascaren-has is **urgent**, the file may be disposed of by circulation.

Sir,

With reference to your letter No.2634 dated the 8th December 1914, recommending that Mr. Mascarenhas may be confirmed as Health Officer, Kolar Gold Fields, I am directed to state that ~~as~~ the sanctioned scale of Health Officers is only three and there are already three officers of that grade viz., Messrs. D.O. dated the 15th May 1915 from the Deputy Commissioner, Kolar District to the Sanitary Commissioner.

---:O:---

I have received your official letter about Dr. Mascarenhas, in which the Board are asked to choose between one of the three other Health Officers for the Field. The matter will be placed before the Board at their next meeting, which, however, will not take place till the end of next month.

In the meantime, I write to say that I am sure the Board will object to this proposal. I think myself it is a mistake, as Mascarenhas knows the ropes now quite well and any one else coming in will take at least 6 months to pick up things, added to which he may not find himself a " Persona Grata " with the Mining Authorities, who are not easy to please. They know Mascarenhas now and like him as far as I am aware.

I know the acting Chief Medical Officer is against the proposal, as he has spoken to me about it. I hope you will be able to induce Government to ~~&&~~ leave well alone.

Extract from letter dated 1st July 1915, from Messrs. John Taylor & Sons to the Secretary, K.G.F. Mining Board.

"Dr. Mascarenhas." We understand from Dr. J.D. O"Donnell that Government have now under consideration the appointment of a Medical Officer of Health for the Kolar Gold Field District. He tells us that it would be of special advantage to the Field if Government were to confirm in this capacity, the appointment of Dr:Mascarenhas, the present Acting Medical Officer, as this Official is thoroughly familiar with the Field's requirements and knows his duties.

"In view of the foregoing it would be well for the Board to do their utmost with Government in the matter of securing the appointment of the Officer named, having regard to the advantages and benefits to the Field by the retention of his services as Medical Officer of Health.
